Subject: Dates for CA UIC meeting with State

We're still trying to pin down a date to meet with the State to go over their plan. What they have available is Feb 20th (10 or 10:30am start) and Feb 27th (2pm start). From the looks of calendars, neither of these is ideal, but I wanted to check in to see if we can make the Feb 20th slot work. We would ask them to come here. Let me know. Thanks. David
